

# Get connected...

## Event series at TU Berlin

TU Berlin wishes to start a discussion on the issues of diversity and equality, to develop a diversity strategy that is widely supported by its members. We want to get connected with you.

We are interested in your experiences at TU Berlin and your opinion on how we could promote equal opportunities at our university in the future.

Therefore we already held some events and even more are upcoming:

- Social Background (June 2017)
- Family and Reconciliation (October 2017)
- Sexual Orientation & Gender Identity (November 2017)
- Racism & Sexism (January 2018)
- Teaching Diversity-centred (April 2018)
- Chronic Illnesses

We would be pleased to welcome you at the next event and get connected.
