

# Clara von Simson-Preis

## der TU Berlin

|||  
2020

for the best master theses of women  
in natural and technical sciences

### Price award

1st price: 3.000 €  
2nd price: 1.500 €  
3rd price: 750 €

The Clara von Simson price is awarded once a year. It is funded by means for women's promotion of Technical University Berlin.

The Clara von Simson-price awards master theses of female students of natural and technical sciences at TU Berlin. Only theses from this and the last calendar year are accepted. Older theses cannot be accepted. The award and the prize money should stimulate the orientation towards an academic career.

### Application/Proposal

Female students of technical and natural sciences who finished their master thesis can either apply themselves or be recommended by someone else (e.g. their supervisor). The deadline is **14 June 2020**.

For the application the following documents have to be submitted:

- the thesis
- grade of the thesis
- diploma
- a short description of the thesis (maximum half a DIN A4 page)
- a letter of recommendation by a professor
- personal data
- a resume
- filled in questionnaire rating criteria (online)
