I/we declare that

It is not possible to provide proof that the contractually agreed delivery of goods has not been obtained or produced in violation of the minimum standards laid down in the ILO core labor standards, in accordance with Section 8 (2) of the Berlin Public Tender Procurement Act (Berliner Ausschreibungs- und Vergabegesetz - BerlAVG). Despite every effort being made, it has not been possible to obtain the relevant certificates.

I/We understand that a knowingly false declaration will lead to my/our exclusion from further contract awards and consequently the possible exclusion of my/our company from the awarding of public contracts for a period of three years.

(Place, date) ____________________________ (signature and company stamp)

Please note: If you wish to participate in the written contract award procedure, you must sign the declaration here.

Explanatory notes:
In accordance with the special contract conditions regarding compliance with ILO core labor standards (Wirt-2140), the contractor is required to present one of the documents listed in the table below for each product to be supplied from the following product list:

- Natural leather products (including sports balls)
- Natural textiles, particularly those made of cotton
- Handmade carpets
- Natural stones
- Products made of wood
- Coffee, cocoa, tea
- Tropical fruits, fruit juices, wine
- Herbs and spices, honey, rice, dried fruits, nuts, sugar, confectionery
- Fish products
- Fireworks, matches
- Cut flowers, potted plants

The relevant document must be submitted at the latest with the delivery of the product:
### Proof regarding compliance with ILO core labor standards

The best possible observance of the ILO core labor standards is presumed when presenting the product certificates listed at [http://www.kompass-nachhaltigkeit.de/](http://www.kompass-nachhaltigkeit.de/), provided that these expressly include observance of the ILO core labor standards in accordance with Section 8 (1) BerlAVG.

### or a certificate of origin

The best possible observance of the ILO core labor standards is also considered to have been achieved if the products were manufactured outside the countries on the DAC list. This list is maintained by the Federal Ministry for Economic Cooperation and Development: [https://www.bmz.de/de/ministerium/zahlen_fakten/oda/hintergrund/dac_laenderliste/index.html](https://www.bmz.de/de/ministerium/zahlen_fakten/oda/hintergrund/dac_laenderliste/index.html)

### alternatively a self-declaration (see above)

A self-declaration may only be presented for any of these products once all efforts to obtain the relevant certificates have been made.
